FIG
33

25X1

1. The civilian airfield east of Lucenec (249/D 01) was about 700x1,000 meters. It was put into operation by the local Aeroclub in 1947. There was only one auxiliary wooden hangar on the field.
2. The field was occupied by gliders and two Piper planes. *

25X1

Comment. This is the first report on the Lucenec airfield which is apparently of little importance as it was being used exclusively by sports planes.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
